

## Party City Internship Program: Come and Party with us!

### Talent Requirements

We're recruiting six exceptional students for our Summer Internship Program, which runs from May – August of 2006 in our corporate headquarters in Rockaway, New Jersey. It is our goal to attract and develop the best talent possible by hiring energetic and motivated students who want to gain experience in Marketing, Logistics, Human Resources, Merchandising and Finance. We develop the leaders of tomorrow by recognizing both individual and team accomplishments. Wouldn't you want to work in an environment that celebrates all year round?

### Who We Are

Party City Corporation is a national party-supply specialty store chain with 247 company-owned and 255 franchise stores located in 34 states from New York to Hawaii. Party City is a globally recognized brand offering the most extensive range of merchandise in the business while providing our customers with a convenient, fun and customer-service oriented shopping experience. We carry a fabulous array of products for every celebration and holiday including birthdays, graduations, Halloween, Christmas, New Year's Eve, Valentine's Day and the Fourth of July.

### What you will need

Students applying should be pursuing degrees that can add value to our business. A GPA of 3.0 or higher is required. These individuals will be part of a special task force reporting to officers in the company who are serious about their work without being serious about themselves. The depth of the work will require analytical, creative, planning and communication skills. Computer skills including strong knowledge of Microsoft Office are required.

The individuals selected need to live within commuting distance to the office, be willing to work Monday through Friday and look forward to contributing to our Company's goals and objectives. If you are dynamic, upbeat and motivated and want to enrich your professional experience, please email your resume to:
