

***** IMMUNIZATION REQUIREMENTS *****

MENINGITIS

The NY State legislation bill S312-A/A00501 passed 8/2003 for meningitis requirement:

- ◆ one dose of vaccine within the preceding ten years
- ◆ or complete the Response Form stating not to obtain immunization

Also if you were born on or after January 1, 1957?

Prior to registering for full-time SU classes, in accordance with New York State Public Health Law Sect. 2165, you will need to show proof of immunity to:

MEASLES

- ◆ two doses of vaccine after first birthday **AND** after 1968, at least 30 days apart
 - ◆ or serologic evidence of antibodies to measles
 - ◆ or physician-diagnosed disease

MUMPS

- ◆ one dose of vaccine on or after your first birthday **AND** after 1968
 - ◆ or serologic evidence of antibodies to mumps
 - ◆ or physician-diagnosed disease

RUBELLA (GERMAN MEASLES)

- ◆ one dose of vaccine on or after your first birthday **AND** after 1968
 - ◆ or serologic evidence of antibodies to rubella

Once in Syracuse, the vaccines are available at the following sites:

SU Health Service
 111 Waverly Ave.
 Syracuse, NY 13244
 Hours: 9:00 AM to 4:30 PM
 Phone: 443-9009
 Cost: \$45.00

Onondaga County Dept of Health
 301 Slocum Avenue
 Syracuse, NY 13204
 Behind Phillips Hairstyling Institute
 Thursday: 8:30 AM – 11:30AM
 Phone: 435-3287
 Cost: \$15.00

Health Form should be returned to:

Army Programs
 221 School of Management
 Syracuse, New York 13244-2130

*Medical or religious exemptions are considered.
 A statement from an appropriate authority is required.*

**STUDENTS WHO DO NOT COMPLETE
 THE HEALTH FORM AND REQUIREMENTS WILL BE PLACED
