THE WHITMAN DIFFERENCE

The Whitman MS in Finance program entails critical training for predicting and adjusting to change so that you can become a forward-thinking financial leader in a dynamic global economy. Every aspect of our program is designed to prepare you for success both during your time of study and throughout your career.

- A comprehensive and customizable 30-credit curriculum with the flexibility to blend core financial classes with electives in various speciality areas
- Small class sizes which allow for more interaction with our distinguished faculty and greater opportunity to connect with classmates from diverse professional and cultural backgrounds
- Personal access to current market data, live news feeds, software for analysis and other resources used by professionals in the field
- Preparation for professional exams, such as CFA, FRM and CAIA designations
- Participation in case and analysis competitions, preparation for Bloomberg certification and participation in Wall Street Prep Seminars
- Close proximity to New York City and access to key financial institutions, successful alumni and accomplished mentors
- Established relationships between Whitman’s dedicated Career Center and many prestigious firms, including JPMorgan Chase, Morgan Stanley, Citigroup and Bloomberg
